Petition to STOP the University of Michigan from using my tax dollars to pay for the class entitled “HOW TO BE GAY: MALE HOMOSEXUALITY AND INITIATION”

The University of Michigan Fall 2005 Catalogue states that our tax-funded university this fall is offering students at Ann Arbor a class entitled, “How to be Gay: Male Homosexuality & Initiation.” The catalogue course description states that the class “will examine the general topic of the role that initiation plays in the formation of gay identity” and that “the course itself will constitute an experiment in the very process of initiation that it hopes to understand.”

We urge Gov. Granholm, the Legislature, and the University of Michigan Board of Regents to do everything possible to stop U-M officials from using our tax dollars to recruit students into a class whose stated purpose is to “experiment” in the “initiation” of teenage males into a high-risk lifestyle of homosexual behavior.
